## No July Meeting!

It's a long-time Chapter tradition that the  
Arlington Fly-In is our July meeting. See you  
there!

## Featured Events:

- Julie Clark and her T-34
- The Cascade Warbirds
- Special salute to veterans
- The Puget Sound Chrysler Club
- Flying Heritage Collection

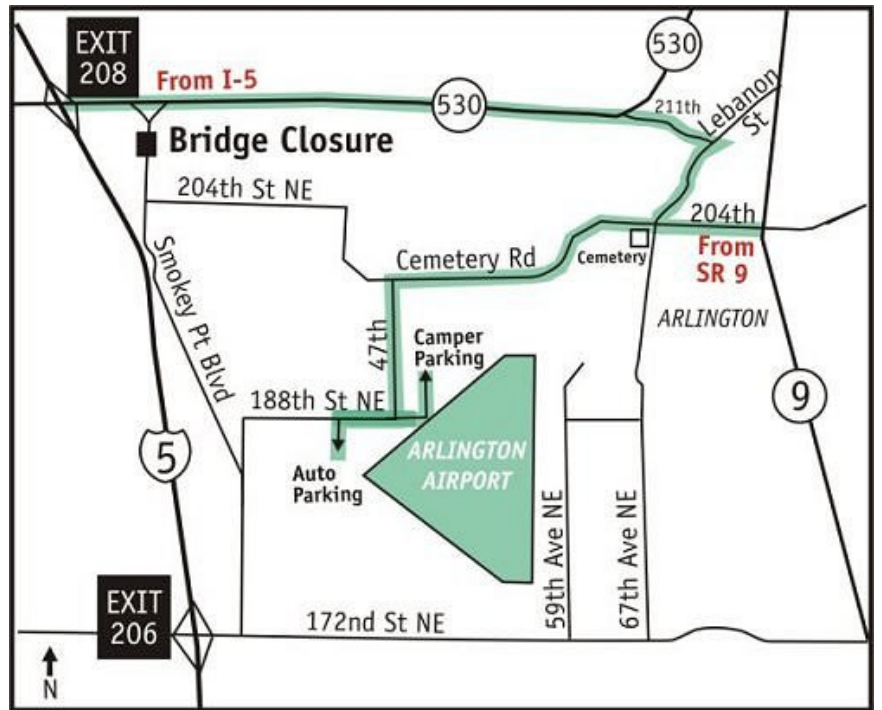

Download the NOTAM at [www.nweaa.org](http://www.nweaa.org)

Note the "normal" drive-in route is closed due  
to construction—use exit 208 instead.

Don't forget – pilots needed for Young Eagles!

## Driving to Arlington?

Note the new drive-  
in route due to  
construction

### Support the Fly-In's Future: Order an Engraved Tile

In partnership with the Arlington Sport Aviation Park, the Arlington Fly-In is a building an Education-Exhibit Center featuring 25,000 square feet of floor space, five climate-controlled classrooms, and 100 additional indoor exhibit spaces

The Education-Exhibit Center floor features walkways of paved tiles engraved with the names of people who have contributed to the future of aviation in the Northwest. Whether you have been a supporter since the beginning or have recently discovered this wonderful event, become a permanent part of their legacy and order your engraved tile today.

Order one at the Fly-In, or go to:

<http://www.nweaa.org/building/>

## Young Eagles At Arlington

*Planes, Pilots, and Ground Crews Wanted*

The Young Eagles operation will be at the east side by the airport office.

If you are planning to attend, let Kent Loos know what days you would like to fly Young Eagles. His cell is 206-818-9937 or you can email him at [gofly77@comcast.net](mailto:gofly77@comcast.net)
